Puts forward ideas for promoting construction industry, including celebration of construction in Millennium Exhibition 2/2, p12
Publishes reports:
Code For the Selection of Main Contractors, being drafted 8/11, p8
Educating the Professional Team 1/11, p10
Selecting Consultants for the Team: Balancing Quality and Price 12/7, p5
Sets up task group on productivity following Latham working group 11 report on cost cutting 2/8, p11
To continue until 1999 19/1, p8
To disband its 14 working groups and reform them 13/12, p9
To hold conference on equal opportunities for women 26/7, p11
To publish *Successful Construction – Code of Practice for Clients of the Construction Industry* 26/7, p11
To take over role of National Joint Consultative Committee 26/4, p14
Working Group 12 to publish guide to partnering in March 1997 6/12, p10
Construction Industry Council:
Construction Bill:
Lobbying to prevent swift adjudication measures being written 15/3, p9
Government amendments have answered one concern, but left others 7/6, p9; 12/7, p5 (Leader), 7
Says worst fears confirmed 22/3, p7
Publishes pre-election manifesto, *Partners in Building Prosperity* 13/12, p8
Renews bid to scrap legislation on Joint and Several Liability 10/5, p5 (Leader), 12
Scheme for Construction Contracts, draft proposals drawn up in response 22/11, p12
Spearheading campaign to replace BRE with National Construction Centre 9/2, p11
Construction Industry Employers Council:
Circulates briefing on Construction Bill to ministers 23/2, p10
HBF issues statement of non-support 5/1, p10
Construction Industry Research Association:
Research shows firms get few benefits from BS 5750 18/10, p11
Construction Industry Sector Group, *see* National Economic Development Council
Construction Industry Training Board, *see* Training
Construction management:
Clients are shifting away through trend to guaranteed prices 29/3, p7
Feature on British Airways, Sainsbury and *Faster Better Construction* guide 1/11, p40-2 (ill)
Construction Management Forum, to be set up by Stephen Porter 26/7, p42-3 (ill)
Construction Quality Forum:
Finds large number of pitched roof defects on its database 23/2, p8-9 (ill)
Says design-and-build contracts more likely to suffer post-completion defects 2/8, p13, 42-3 (ill)
To set up defects database specifically for clients 24/5, p13
Construction Round Table to attack competency of construction industry on training 26/4, p5 (Leader), 7
Construction sites, *see* Health and safety: Building sites
Construction Skills Certification Scheme, Stanhope and Bovis throw weight behind scheme 10/5, p7
Construction Sponsorship Directorate, *see* Environment, Department of
Consultants:
BCB survey shows 23% rise in overseas work 27/9, p15
DOE and CIC carrying out biggest-ever poll 13/9, p11
Top 150 Consultants league table 27/9, p33-43 (ill)
Consumer surveys:
Lifestyle 2000 survey of prospective housebuyers' preferences 19/1, p19 (ill)
Contaminated land, *see* Environment
Continental contractors, feature on hold in UK 25/10, p5 (leader), 38-40 (ill)
Continuing Professional Development, *see* Training
Contract disputes (*see also* Contractual disputes (feature) and Legal cases):
Invite the party you are arguing with over for mince pies (Bingham) 20/12, p22-3
Proving contractors' claims (Cyril Sweett) 28/6, p31
Settling claims where several parties are implicated (Minogue) 25/10, p34
Contractors (*see also* League tables):
Code For the Selection of Main Contractors, being drafted by CIB 8/11, p8

Contractors are losing money from haphazard application of computer technology 14/6, p13
Lloyds report on *Performance Trends in the Construction Industry* 1/11, p16
Major Contractors Group:
Expected to commit to training staff in less adversarial practices 5/1, p9 (ill)
Three more contractors join 6/9, p8
Top 11 contractors to resign from BEC and FCEC:
Formal notice given 14/6, p5 (Leader), 9
Rumoured 7/6, p7
Market conditions:
Activity of Major UK Contractors in Europe by Construction Forecasting and Research 26/7, p11
Future of contracting special feature 15/3, p5 (Leader), 48-57 (ill)
Mark Aedy, NatWest Markets, predicts contracting will be dominated by worldwide superleague 9/2, p19
Overseas orders, annual survey 26/7, p14
Private workload rises but fears over tight margins and the failure of PFI 21/6, p9
Subcontractors:
Latham Working Group 3, fifth draft of Code of Practice for the Selection of Subcontractors 17/5, p12
Quitting tendering in favour of direct nomination and term maintenance contracts 4/4, p9
Subcontractors should enter into contracts they understand, with people they respect (Bingham) 26/7, p30-1 (ill)
Contracts:
Contracts legislation:
Construction Bill/Act:
Adjudication provisions:
Government defeated on six key points at committee stage 21/6, p7
Industry leaders say changes proposed do not go far enough 10/5, p10
Will they work? (Masons) 4/4, p31
British Property Federation launches savage attack 22/3, p9
CIC:
Government amendments have answered one concern, but left others 7/6, p9
Lobbying to prevent swift adjudication measures being written into Construction Bill 15/3, p9:
Says worst fears confirmed 22/3, p7
CIEC briefing paper circulated to ministers 23/2, p10
Construction minister:
'Defective' changes forced on Whitehall:
Expected to propose 30 amendments 5/7, p8
Letter to construction leaders 28/6, p12
Will consider widening range of contracts covered 16/2, p5
DOE:
Drops swift adjudication clauses under industry pressure 26/4, p13
Publishes draft payment rules for Construction Act 15/11, p8
Puts forward amendments to adjudication clause that industry thinks will cause more problems 14/6, p13
Four lawyers examine its likely impact (feature) 1/3, p32-4
Full details and industry reactions, News feature 9/2, p5 (Leader), 8-10 (ill)
Government issues provisional draft of scheme to underpin act 18/10, p8
Labour spokesman warns it may not reach statute books before election 16/2, p8
Moves to committee stage 4/4, p8
Pay-when-paid clause, contractors considering seeking fresh amendments 12/7, p5 (Leader), 7
Royal assent due 26/7, p7
Will it help employers? (Cyril Sweett) 15/3, p39
Housing and Contracts Bill to be split in two 19/1, p9
Industry leaders write to DOE to point out confusion between adjudication and arbitration in Housing and Contracts Bill 12/1, p11
Trust funds between main contractor and employers should be set up (Bingham) 26/4, p34-5
Design and build contracts:
CDM regs have special implications (Trowers & Hamlins) 9/8, p27
Construction Quality Forum says design and build contracts more likely to suffer post-completion defects 2/8, p13, 42-3
Design and Build Forum to launch Design and Build Institute next year 15/11, p11
Design and build special feature 2/8, p36-46 (ill)
Designing and Building a World Class Industry, Centre for Strategic Studies in Construction 14/6, p5 (Leader), 29, 38-41; Minogue 21/6, p36
Novation of the design team (Cyril Sweett) 10/5, p33
Slammed by Sir Norman Foster 22/3, p11 (ill)
Sports Council advises lottery bidders against using design and build 14/6, p5 (Leader), 10
Study by University of Reading Design and Build forum shows contractors must work more closely with their designers 14/6, p8
The UK Design and Build Market Development report shows further expansion likely 12/1, p8
FCEC Blue Form and the cases of *Mooney v Henry Boot Construction* and *Balfour Beatty Construction v Kelston Sparkes Contractors* (Bingham) 2/8, p28-9
I.CHEM.E. Red Book, 3rd edition (Masons) 2/2, p33
JCT contracts:
Bond to be developed in place of retention money in updated JCT contracts 25/10, p5 (Leader), 12
Can the JCT keep up with industry change? (Clash points) 29/3, p36
Are employers who delete nomination also relinquishing right to select subcontractors? (Clash points) 26/1, p38
Chairman Roy Swanston, on redrafting of contracts for Construction Bill 9/2, p10 (ill)
Definition of Prime Cost of Dayworks (Cyril Sweett & Partners) 15/11, p37
RICS *Contracts in Use* study shows JCT most popular 6/12, p11
